The AAT Kings Difference

100 years of experience

Crafting unforgettable vacations in Australia for over 100 years, AAT Kings' story begins with the Pyke family, whose spirit for adventure and passion for their homeland saw them launch coach touring in Australia as far back as 1912.

AAT Kings Cares

Our local projects

Kiwis

Rainbow Springs in New Zealand

Inspiring Journeys and AAT Kings support the conservation of New Zealand's iconic native bird, the endangered kiwi.

- We contribute to the Kiwi Breeding Program in Rotorua to hatch and raise chicks, perform health checks and daily monitoring
- Donations assist with funding research into incubation and rearing
- The aim is to help raise awareness of the protection of the kiwi and act as a pivotal role in their survival

Tasmanian Devils

Save the Tasmanian Devil

Devil Facial Tumour Disease (DFTD) threatens the existence of this internationally-recognized icon.

- In some areas, more than 80% of the Tasmanian devil population has been wiped out
- The threat to the devil due to DFTD continues to spread
- Significant advances in the Insurance Population and protecting isolated populations, are enabling a new phase in the species' conservation and recovery in the wild

Koalas

Australia Zoo Wildlife Warriors

The Australia Zoo Wildlife Hospital at Australia Zoo in Queensland, is dedicated to saving Australia's many native species.

- It is the largest and busiest wildlife facility of its kind in the world
- Caring for one koala costs an average of \$1,500
- The facility treats about 800 koalas each year
- The hospital helps rehabilitate and care for injured and orphaned koalas in addition to other animals
- Donations contribute to an eco-friendly facility to house them

Kakadu is one of the most spiritual environments on our planet. Its immense gorges and crystal-clear rock pools will leave you with indelible images of a unique journey. Cruising its vast, bird-rich wetlands and witnessing the mystery of its ancient rock-art, you'll be transported to another place and time. At the end of exhilarating days of discovery, relax in safari-style accommodations at Nitmiluk and Mary River, enjoying first-class cuisine in pristine natural settings.

As this journey departs early morning from Mantra on the Esplanade in Darwin, accommodations will need to be pre-booked for the previous night.

Day 1: Darwin – Mary River

This morning, meet your Driver Guide and board your luxury 4WD vehicle to begin your journey of discovery in the vibrant Top End. Cross the barramundi-rich Finnis River and enter magnificent Litchfield National Park, where stunning waterfalls cascade into crystal-clear pools, soaring magnetic termite mounds rise out of the red soil, and tropical monsoon forests thrive in ancient gorges. The Park is a haven for hundreds of native bird species and the plateau supports a rich range of woodland flora. Enjoy a swim in the clear waters of the pool at the base of tumbling Florence Falls, and visit Wangi Falls to hear about its importance in Aboriginal custom.

This afternoon, embark on a rugged cross-country adventure traveling via the unsealed Marrakai Track (seasonally accessible). You'll travel through vast cattle stations and sparsely-inhabited backcountry to your accommodations at Wildman Wilderness Lodge in The Mary River Wetlands. Your private permanent safari tent ensures

comfort and chic in the midst of a stunning landscape. Hotel: Wildman Wilderness Lodge, Mary River. L DW

Day 2: Mary River – Kakadu

Wake this morning to a chorus of native birds on the floodplains. Later, at Corroboree Billabong, a wildlife cruise on a safari-style boat reveals a pristine environment, a myriad of bird species including thousands of magpie geese, and the promise of glimpses of estuarine crocodiles. Travel on to iconic Kakadu National Park. Australia's largest, it is also World Heritage-listed as both a cultural and natural sanctuary. Settle into your hotel, with its unique exterior design reminiscent of the shape of a crocodile, and relax and unwind or take a dip the shaded outdoor pool.

🌀 Then join your Driver Guide for a late-afternoon walk at Ubirr, one of Kakadu's most renowned Aboriginal rock art sites. At the Main Gallery you'll see representations of the many animals the local Indigenous people hunted. Animals were painted to pay respect to them for giving their lives, to ensure future hunting success, or to illustrate a noteworthy catch. A painting of a thylacine, or Tasmanian tiger, which has been extinct in the area for over 2000 years, attests to the antiquity of the paintings. Take a walk

● Start ● Overnight stays
● End ● Sightseeing stops

to the fantastic vantage point of Nadab Lookout, which affords magnificent views over the surrounding wetlands and escarpments, and witness a remarkable Ubirr sunset. **Hotel:** Mercure Crocodile Kakadu Hotel, Jabiru. B L DW

Day 3: Kakadu – Katherine Gorge

If you're an early riser there's the chance today to take an early morning scenic flight over Kakadu and remote Arnhem Land. Then visit Nourlangie, also known as Burrungui, another of Kakadu's premier rock art sites, with your Driver Guide providing a detailed interpretation of the superb ochre paintings and the rich Aboriginal culture they depict. Later you'll venture off the sealed road and hit the gravel for a scenic cross-country journey to Gunlom Falls. Take your time to hike to the top of the falls for a splash in a crystal-clear natural plunge pool. It's a moderately strenuous climb, but you'll be rewarded with spectacular views over the National Park.

Take in the natural beauty of the area while you enjoy a picnic lunch, then continue to Nitmiluk National Park, the home of Nitmiluk (Katherine) Gorge. The Gorge comprises a system of 13 immense gorges carved over the millennia by the Katherine River through the ancient stone country of the region. Indulge yourself in five-star luxury for two nights at Cicada Lodge, a stunning architect-designed eco-lodge where each room has a private balcony that offers views out across the landscape. **Hotel:** Cicada Lodge, Nitmiluk National Park, Katherine, 2 nights. B L DW

Day 4: Katherine

Today meet renowned Indigenous artist Manuel Pamkal, who was born and raised immersed in his rich traditional culture. He'll share

stories of growing up in the bush and teach you about the fine art of rarrk (crosshatch) painting using a special brush made from a reed. Guided by Manuel, you can create your own rarrk painting to take home with you.

In the early evening, cruise the Katherine River as it winds through spectacular gorges, the cliff-faces changing colour with the setting sun. Spot wildlife and learn about the history and culture of the local Jawoyn people from a professional guide. Enjoy a candle-lit three-course Highlight Dinner cooked on board your vessel. B L HD

Both the iconic sights and the hidden treasures of Australia's legendary Red Centre are revealed on this enthralling journey through never-ending red plains and sprawling cattle-stations. From world-renowned Uluru and Kata Tjuta to a little-known site where an immense meteorite struck the Earth more than 5000 years ago, each day will provide genuine opportunities to experience the life, culture and traditions of the Outback.

Day 1: Welcome to Ayers Rock

Your inspiring Outback journey begins this afternoon when you meet your Driver Guide and take the short drive to Uluru – Kata Tjuta National Park. The Park is the setting for the majestic sandstone monolith of Uluru (Ayers Rock) and the 36 red-rock domes of the Kata Tjuta (the Olgas) formation. The Traditional Owners of this land, the Anangu, have lived in the region for tens of thousands of years and have a deep connection with the land. You'll learn about Tjukurpa: the history, knowledge, religion, morality and law of the local Aboriginal people and their ancestors.

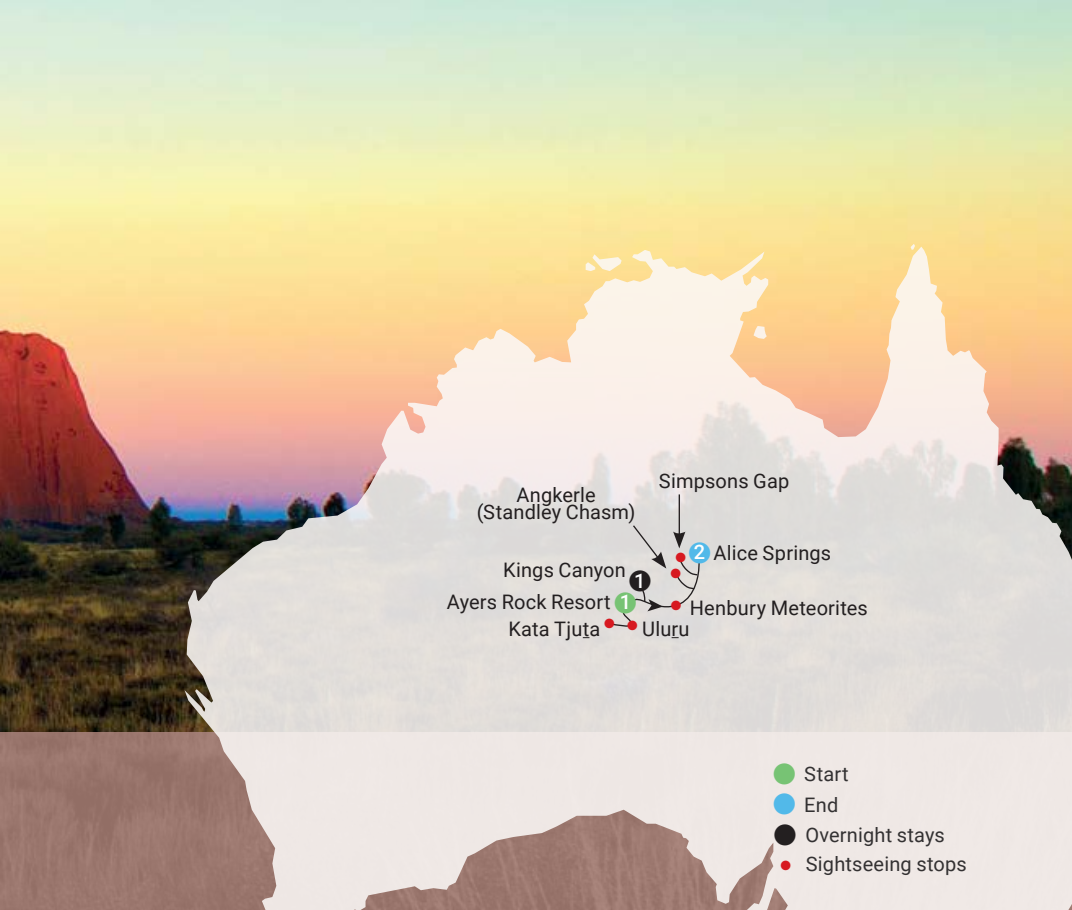

First stop is Kata Tjuta, where you'll walk amidst the sheer rock-walls of Walpa Gorge, following the natural creek bed between two of the largest domes. This evening return to Uluru to see the sun set over the western horizon and witness the remarkable light that floods the monolith, changing it from red to vibrant orange and finally deep purple. Later, get to know your traveling companions over a relaxed meal at Ilkari Restaurant. Hotel: Sails in the Desert Hotel, Ayers Rock Resort. DW

Day 2: Ayers Rock – Kings Canyon

Your day begins with an iconic sunrise over Uluru and Kata Tjuta at the Kata Tjuta dune viewing area. Move closer

to Uluru this morning and explore the base of the rock. 🌀 Several rock shelters house Anangu paintings dating back thousands of years. Your guide will explain their significance and relate timeless stories of the land. Visit beautiful Mutitjulu Waterhole, once a vital water source for the local inhabitants, before traveling on to remote Curtin Springs Station.

Tour the property's boutique paper-making facility, and discover the processes involved in its production. Chat with one of the locals over a barbecue lunch, and learn about life on the million-acre cattle property that's been home to the Severin family since 1956. After lunch, follow the Luritja Road towards Kings Canyon and view Atila (Mt. Conner), the 'forgotten wonder' of Central Australia. Pause briefly at Kings Creek Station, established in 1982 by Lyn and Ian Conway and now Australia's largest exporter of wild camels. Continue to nearby King's Canyon Resort, where you can relax and unwind before enjoying a unique evening dining experience, Under a Desert Moon, set in the silent wilderness under a canopy of the southern night sky (weather permitting). Enjoy canapés and a glass of sparkling wine followed by a delicious four-course meal incorporating fresh produce and unique ingredients

Day 3: Kings Canyon – Alice Springs

Kings Canyon is a deep, narrow valley cut into the Earth over millennia by running water. Its ancient red rock walls soar 100 meters above Kings Creek to a plateau of rocky domes. Wake early this morning to explore the spectacular Canyon at sunrise, the best time for observing the changing colors of the landscape. The 6-kilometer Canyon Rim Walk, considered one of the best and most varied walks in central Australia, begins with a strenuous climb but soon evens out once you reach the rim. As you follow the path, you'll find yourself among the weathered sandstone domes known as The Lost City.

There's also an opportunity to descend into The Garden of Eden, a lush, sheltered valley with a permanent waterhole. A shorter, more relaxed walk takes you along the sandy creek bed and leads to a lookout point affording excellent views of the towering canyon walls. Travel off the beaten track later today to the Henbury Meteorites Conservation Reserve. Here, nearly 5,000 years ago, a dozen fascinating craters were formed when a meteor struck the Earth's surface with immense force. Explore the craters, the largest of which measures 15 meters in depth, before driving on to Alice Springs, where you'll enjoy dinner at your hotel. Hotel: Crowne Plaza Alice Springs Lasseters, 2 nights. B L DW

Day 4: West MacDonnell Ranges

The town of Alice Springs, the heart of the Red Centre, is located at a gap in the MacDonnell Ranges. After breakfast this morning, travel the short distance to the West MacDonnell Ranges, an ideal location to experience the geology, flora and fauna of this unique region.

Visit Simpsons Gap and dramatic Angkerle (Standley Chasm). This formation was created over millions of years, the deep red sandstone walls of the Chasm contrasting dramatically with the carpet of lush green ferns and towering gum trees on the valley floor. Before you leave, there'll be time to take a cooling swim in Ellery Creek Big Hole.

Returning to Alice Springs, you'll visit the Royal Flying Doctor Service to see how this iconic facility has provided emergency medical assistance to those living in remote outback Australia since 1928. **1** An exceptional Be My Guest dining experience in a natural bush setting awaits you this evening. Enjoy a drink, explore your surroundings and watch the sun set while your host cooks a delicious 3-course meal in a bush oven. Dine under the Milky Way as he shares his knowledge of traditional Indigenous bush foods and stories of the land. B L BG

Day 5: Farewell from Alice Springs

At School of the Air this morning learn how children living in an area extending over 1.3 million square kilometers receive education via radio and internet. You'll also visit the Overland Telegraph Station. One of the great engineering feats of 19th-century Australia, it allowed communication between the Outback and the rest of the world. Say farewell to your fellow travelers when your journey comes to an end this morning after breakfast. B

Itinerary Variations

AAT Kings strives to improve vacation itineraries, services and features. If improvements can be made, or if circumstances beyond our control make changes necessary, we reserve the right to vary itineraries and to substitute hotels. At certain peak periods multiple departures may operate, sometimes in reverse order, hotels may vary from those stated on the itinerary pages. On vacations which include cruises, the ship may be changed for operational reasons and on Milford Sound may be shared. Departures in early and late season are potentially operated in cool weather conditions. As a result, itinerary variations may occur. Certain activities may not be precisely as described or may not be available due to seasonality or weather conditions. We will try to notify you or your travel agent of changes. If your enjoyment may be diminished by such limitations, please check with us or your travel agent before making a reservation. AAT Kings' 'Be My Guest' experiences are unique and take place in singular locations. In the unlikely event that our local hosts are unable to welcome AAT Kings guests, AAT Kings will attempt to find an alternative experience or a highlight meal will be provided in place of the 'Be My Guest' experience.

Vacations & Changes

During local or regional vacations, certain facilities such as museums, sightseeing trips and shopping may be limited or unavailable. In such instances itinerary changes are made by AAT Kings seeking to reduce inconvenience to guests. Such changes are deemed not to be a major change to the itinerary and no compensation will be payable to guests. Vacations, closing days and other occurrences may necessitate a change of the day of the week for scheduled highlight dinners, regional meals, sightseeing or other activities. If, you feel your enjoyment might be diminished by any of these circumstances please check with the respective national, state or territory tourist office before selecting a specific departure date.

Additional taxes and surcharges may be collected by foreign government and non-governmental entities. The price does not cover costs and expenses, including your return home, if you leave the guided vacation whether of your own volition, our decision based on behavior that disrupts the trip, due to illness, action by any government or other reason. This list is illustrative and not a complete list of every item not included.

Luggage Allowance

One medium size suitcase per person plus one piece of hand luggage which may be carried on board the coach. Please note that hand luggage with an adjustable handle and wheels will not fit in the overhead compartments of the vehicle and cannot be accepted as hand luggage. Maximum weight of the suitcase is not to exceed 50lbs (23kg). We are required by strict Government vehicle weight regulations to enforce and adhere to this limit. If your luggage exceeds this limit, we ask that you make alternative arrangements for the excess to be forwarded to the termination point of your tour. We suggest that you have wheels on your suitcase, as there are certain places where assistance is not available (e.g. railway stations and cruise terminals). Airlines may impose stricter weight and size limits for luggage and may also charge fees for checked baggage, including the first checked bag. Please check with your airlines/s directly for their most current baggage regulations and related fees. AAT Kings is not responsible for additional fees imposed by carriers in regard to luggage. All luggage and personal effects are at all times, and in all circumstances at the risk of the tour participant. Luggage insurance is strongly recommended.

Smoking and Seat Rotation

Government regulations prohibit smoking inside tourist coaches, including e-cigarettes. Please restrict smoking to the ample stops en route. To enable everyone the opportunity of enjoying window and front seats, guests change seats daily during the course of the tour.

What to Bring

We recommend casual, lightweight, drip-dry clothing with some warmer articles for the evenings and cooler days. For the winter months, a warm jacket is recommended. Pack shorts, pullover, rubber-soled walking shoes, swimsuit, towel, sleeping clothes and waterproof jacket. Do not forget a hat, camera, sunglasses, insect repellent, sunscreen, toiletries and a bottle for drinking water. Note that regular laundry facilities may not always be available. Dress is usually casual, so bring comfortable clothing. In Central Australia, Southern Australia and New Zealand nights in winter (May to August) can be cold, frosts and snow do occur and occasionally cold winds blow, so bring warm clothing to suit. Days are usually sunny and mild. In Northern Australia warmer conditions apply, so come prepared.

Wi-Fi

Complimentary Wi-Fi service is available in many hotel guest rooms and/or the public areas of most hotels. Complimentary Wi-Fi is also provided on-board most of our touring coaches. Wi-Fi on coaches uses a mobile/cellular network and as a result the connection will be slower than regular broadband and at times may not be available in some areas. Please note that Wi-Fi may not be available on transfer coaches and other local services.

Independent Touring

Companies other than AAT Kings operate some touring in this brochure.

Complaints

If an issue arises or you need assistance, you should immediately inform the relevant supplier (for example the hotel) and your Travel Director or our local representative who will endeavor to assist you. Prompt action will assist the supplier of the services to rectify the situation and ensure enjoyment of your vacation. It is a legal requirement that you advise the supplier of any issues you may have whilst on tour. If you fail to give the supplier and/or AAT Kings the opportunity to investigate and rectify your complaint at the time, this may affect your rights under this contract if your complaint cannot be resolved locally or through our office (detailed below). You should make contact with the travel agent with whom you booked your vacation who will contact us to advise of the problem so that

we may endeavor to resolve it. Should a problem remain unresolved, we request that a complaint be made in writing within 28 days of completion of your tour to:
