THE AAT KINGS *Difference*

Indulge in an unforgettable voyage of discovery with AAT Kings. Our experience across this beautiful land ensures you'll see the world-renowned sights you've heard so much about as well as the hidden gems your Travel Directors will bring to life.

From the untamed Red Centre to the golden sands of the Queensland coast in Australia and from the glacial fiords to the alpine peaks in New Zealand, our vacation experiences create memories that will last a lifetime.

Over 100 years of experience

Our story begins with the Pyke family, whose spirit for adventure and passion saw them launch coach touring in Australia in 1912. Starting with self-drive car hire in 7-seater vehicles, we expanded to guided tours, becoming Sydney's largest tour operator by the 1960s. In the 1980s, we joined pioneering adventurer Bill King's Northern Safaris to create AAT Kings – the most experienced Guided Vacation operator in Australia.

Authentic adventures

We're committed to showing you the real Australia and New Zealand, those that stir up your sense of wonder. You'll enjoy a truly life-changing experience that is led by our expert Travel Directors and/or Driver Guides who have the inside track on these countries. From the intriguing characters, to the secret spots and cultural must-sees, you'll experience an Australia and New Zealand that you'll carry in your heart forever.

Service that'll make you smile

At AAT Kings our team of dedicated and experienced staff has been delivering hassle-free and unforgettable vacations for decades, taking care of every little detail along the way. Your adventure through Australia and New Zealand is made that much more special with the knowledge that travelers have been choosing AAT Kings for over a century.

Vacations for everyone

With 48 unique itineraries you'll find an authentic vacation experience just for you. Enjoy quality hotels and the best value-for-money touring on earth, all jam-packed with easy adventure, great flavors, and some surprises along the way. With AAT Kings every vacation is expertly crafted to ensure you'll never worry about a thing.

MAKING TRAVEL *Matter*

AAT Kings partners with the TreadRight Foundation to safeguard the planet, wildlife and people in the places we visit for generations to come.

Travel is an incredible gift. It has the ability to open our eyes, our hearts and our minds to the unique cultures and spellbinding beauty of the natural world. But with this gift comes a responsibility – to protect the world as we know it.

By partnering with TreadRight, we work together to have a positive impact on the people and communities we visit, to help protect marine and wildlife, and to care for the planet we all call home.

People

At TreadRight, we are committed to encouraging the cultures, traditions and arts of the communities we visit to thrive. We seek to enable some of these communities to see true benefit from tourism through economic empowerment. We do this through our support of micro-enterprises, and community based tourism initiatives that build positive futures for community members and their families.

Planet

Reducing the environmental impact of our business isn't just a 'nice-to-have' for us, it's at the core of what we do. Together with The Travel Corporation, we are supporting projects striving to keep our oceans and coastlines clean, we're committed to safeguarding the future of our planet. We've committed to eliminating all single-use plastics in both our offices and out on the road by 2022. In 2017 we introduced our e-docs program which allows our guests to receive their travel documents digitally, replacing the need for paper whilst also having a tree planted in their name as part of our plant a tree initiative.

Wildlife

The world's wildlife is balancing on a dangerous precipice, so it is our responsibility to help protect some of these species most at risk from extinction. Partnering with leading wildlife organizations, we work to help protect and rehabilitate some of the elephant, rhino and big cat populations around the world, whilst also educating our guests on ethical wildlife experiences. Here in Australia, we've partnered with Australia Zoo Wildlife Warriors, one of the largest and busiest wildlife hospitals in the world! Their mission is to rescue, rehabilitate and release sick, injured or displaced native wildlife, contributing to research that supports conservation of Australian native fauna.

OVER **2000** KOALA'S
– *helped* –

Australia Zoo Wildlife Warriors

Thanks to AAT Kings and the TreadRight Foundation, the Australia Zoo Wildlife Hospital has treated over 2,000 koalas since 2014. As Australia's busiest koala hospital, the facility is at the forefront of koala research and conservation.

- Despite being one of Australia's most iconic animals, the koala is under severe threat in the wild
- Habitat destruction, road accidents, dog attacks and life threatening diseases continue to devastate populations
- Through sponsoring the AAT Kings trauma treatment ward at the Wildlife Hospital, the TreadRight Foundation directly helps up to 13 koalas in recovery at any one time
- With this support, the dedicated team of veterinary staff work tirelessly to provide hundreds of koalas each year with a second chance at life in the wild

55% OF KIWIS HATCHED
– *nationwide* –

Rainbow Springs Nature Park

We support the conservation of New Zealand's iconic native bird, the endangered kiwi. Our hatchery at Rainbow Springs is the largest kiwi conservation hatchery in the world.

- 76% of all North Island chicks and 55% of chicks hatched nationwide are incubated at our hatchery
- Visitors on our 'behind the scenes' tours are given a unique insight into the work that our teams do every day to help save the kiwi
- Our Kiwi Breeding Program hatches and raises chicks and performs health checks and daily monitoring
- Donations assist with funding research into incubation and rearing
- The aim is to help raise awareness of the protection of the kiwi and act as a pivotal role in their survival

AAT Kings is not responsible for other travel arrangements that you or your party has made outside AAT Kings that are affected by our cancellations.

If the reason for your cancellation is covered under your insurance, you may be able to reclaim these charges from your insurer. You and your Travel Agent are responsible to make this claim to your insurer.

Illness or Absence Early return expenses are the guest's responsibility. There is no refund for absence or early departure from a vacation, included but not limited to missed hotels, transfers, meals or sightseeing. AAT Kings urges you to purchase travel insurance to cover such circumstances.

AAT Kings makes no representation or guarantees concerning reimbursement, scope of coverage or other aspects of any travel insurance policy or claim.

Triple Share Rooms

Triple share rooms may be available on selected holidays in limited numbers. Triple rooms will often feature one double bed plus a 'foldaway', 'sofa bed' or 'rollaway'. Three adults may find these rooms small and suitcase space slightly restricted; they are generally more suitable for 2 adults and a child. Triple share rooms are not available at all hotels.

Quad Share Rooms

Quad share rooms are not available and clients are required to book two twin rooms. Inter-connecting rooms are available on request and subject to availability.

Solo Travelers

Where single rooms are available, an additional charge applies. Refer to individual programs. Single rooms in some remote locations cannot always be guaranteed and in some cases, the single charge is obligatory. If you would prefer not to pay the single supplement on Guided Vacations you can share with a guest of the same gender at no extra cost. If we can't pair you up, we'll accommodate you in a single room. Please request at time of booking. Does not apply to Inspiring Journeys and Short Breaks.

Hotel Check-in/Check-out

Check-in time at most hotels is 3pm. If you are arriving early into a city, you may wish to request an early check-in to your hotel room, so as to allow for immediate check-in. An additional nights charge will apply.

Extended Stays

If you arrange with AAT Kings to remain at a destination before or after your vacation, your stay will be at your sole expense as is the transfer to either the hotel or airport. Please see the 'Why not stay a little longer' section of this brochure for a list of pre and post vacation accommodations. Space is limited and if available is for up to three nights before and/or after each vacation. Breakfast and luggage handling is not included unless otherwise noted. If your extra night/s accommodations is not the hotel where your vacation begins or ends, you will be responsible for your transfer arrangements at your own expense.

Refunds and Penalties

Illness or absenteeism: in the event of your withdrawal from a tour after commencement for reasons of illness you must obtain a medical certificate in support of any insurance claim. We regret that no refunds can be made for absences from a tour, including but not limited to, missed meals or sightseeing. AAT Kings makes no representation or guarantees concerning reimbursement of funds paid by you under any insurance claim.

Travel Insurance

AAT Kings recommends that all guests purchase comprehensive Travel Insurance. Certain countries have a requirement for foreign visitors to have valid medical insurance on entry. AAT Kings cannot be held responsible for denied entry if a guest is unable to provide details to authorities of insurance or denial of entry for any reason.

Vacation Inclusions

Transportation, entrance fees and boat cruise prices as per itinerary, services of a Travel Director and/or Driver Guide and meals as specified. Accommodations on a twin share basis (unless otherwise specified). Subject to a minimum number of clients, AAT Kings reserves the right to operate touring on a smaller vehicle with a Driver Guide. On some occasions coach restrooms may be inaccessible depending on operational conditions.

Itinerary Variations

AAT Kings strives to improve vacation itineraries, services and features. If improvements can be made, or if circumstances beyond our control make changes necessary, we reserve the right to vary itineraries and to substitute hotels. At certain peak periods multiple departures may operate, sometimes in reverse order, hotels may vary from those stated on the itinerary pages. On vacations which include cruises, the ship may be changed for operational reasons and on Milford Sound may be shared. Departures in early and late season are potentially operated in cool weather conditions. As a result, itinerary variations may occur. Certain activities may not be precisely as described or may not be available due to seasonality or weather conditions. We will try to notify you or your travel agent of changes. If your enjoyment may be diminished by such limitations, please check with us or your travel agent before making a reservation. AAT Kings' Be My Guest experiences are unique and take place in singular locations. In the unlikely event that our local hosts are unable to welcome AAT Kings guests, AAT Kings will attempt to find an alternative experience or a highlight meal will be provided in place of the 'Be My Guest' experience.

Vacations & Changes

During local or regional vacations, certain facilities such as museums, sightseeing trips and shopping may be limited or unavailable. In such instances itinerary changes are made by AAT Kings seeking to reduce inconvenience to guests. Such changes are deemed not to be a major change to the itinerary and no compensation will be payable to guests. Vacations, closing days and other occurrences may necessitate a change of the day of the week for scheduled highlight dinners, regional meals, sightseeing or other activities. If, you feel your enjoyment might be diminished by any of these circumstances please check with the respective national, state or territory tourist office before selecting a specific departure date.

Airport Transfers

Where indicated in this brochure, complimentary arrival and departure transfers are provided between designated airports and AAT Kings' hotels on the scheduled start and end days of your tour only. Complimentary transfers are only included with pre/post tour accommodations booked with AAT Kings, and where flight arrival and departure details are advised.

Special Meals

Any items and matters not referred to above, including airlines to and from your destination, air-related taxes and fees (except where specified); additional fees charged by airlines such as checked and/or excess baggage, seat selections and any other services, passport and visa fees, insurances or all kinds, tips/gratuities to Motorcoach Driver, Local Host, Local Specialists and Travel Director; laundry; phone calls; minibar; beverages and meals not detailed in the itinerary; Optional Experiences; and all items of a personal nature. Additional taxes and surcharges may be collected by foreign government and non-governmental entities. The price does not cover costs and expenses, including your return home, if you leave the guided vacation whether of your own volition, our decision based on behavior that disrupts the trip, due to illness, action by any government or other reason. This list is illustrative and not a complete list of every item not included.

Luggage Allowance

One medium size suitcase per person plus one piece of hand luggage which may be carried on board the coach. Please note that hand luggage with an adjustable handle and wheels will not fit in the overhead compartments of the vehicle and cannot be accepted as hand luggage. Maximum weight of the suitcase is not to exceed 50lbs (23kg). We are required by strict Government vehicle weight regulations to enforce and adhere to this limit. If your luggage exceeds this limit, we ask that you make alternative arrangements for the excess to be forwarded to the termination point of your tour. We suggest that you have wheels on your suitcase, as there are certain places where assistance is not available (e.g. railway stations and cruise terminals). Airlines may impose stricter weight and size limits for luggage and may also charge fees for checked baggage, including the first checked bag. Please check with your airlines/s directly for their most current baggage regulations and related fees. AAT Kings is not responsible for additional fees imposed by carriers in regard to luggage. All luggage and personal effects are at all times, and in all circumstances at the risk of the tour participant. Luggage insurance is strongly recommended.

Smoking and Seat Rotation

Government regulations prohibit smoking inside tourist coaches, including e-cigarettes. Please restrict smoking to the ample stops en route. To enable everyone the opportunity of enjoying window and front seats, guests change seats daily during the course of the tour.

What to Bring

We recommend casual, lightweight, drip-dry clothing with some warmer articles for the evenings and cooler days. For the winter months, a warm jacket is recommended. Pack shorts, pullover, rubber-soled walking shoes, swimsuit, towel, sleeping clothes and waterproof jacket. Do not forget a hat, camera, sunglasses, insect repellent, sunscreen, toiletries and a bottle for drinking water. Note that regular laundry facilities may not always be available. Dress is usually casual, so bring comfortable clothing. In Central Australia, Southern Australia and New Zealand nights in winter (May to August) can be cold, frosts and snow do occur and occasionally cold winds blow, so bring warm clothing to suit. Days are usually sunny and mild. In Northern Australia warmer conditions apply, so come prepared.

Wi-Fi

Complimentary Wi-Fi service is available in many hotel guest rooms and/or the public areas of most hotels. Complimentary Wi-Fi is also provided on-board most of our touring coaches. Wi-Fi on coaches uses a mobile/cellular network and as a result the connection will be slower than regular broadband and at times may not be available in some areas. Please note that Wi-Fi may not be available on transfer coaches and other local services.
